

ABOUT THE LODGE

Transportation

Hunt Nebraska can be reached by regular connecting commercial flights out of Denver to McCook or Omaha to Kearney. We furnish transportation from McCook & Kearney.

If flying commercial into Omaha, Lincoln, Denver, North Platte, Grand Island, etc., you will be responsible for your own ground transportation to Arapahoe unless other arrangements have been made. Rental vehicles are available at these locations and many hunters enjoy the 2-4 hour drive across Nebraska.

We also offer transportation services for those who arrive by private aircraft, which can land either at McCook or Cambridge, Nebraska. Both airports have lighted runways 4000 ft. or longer and non-precision approaches.

Arapahoe is easy to reach by car via Interstate 70 or 80. Contact personnel John Koller or Nate Swanson. for additional information or reservations on our hunting operation.

Gear

The weather is normally mild, but a variety of moderate to heavy clothing is advised. Comfortable, waterproof boots are a must. An orange cap, hunting vest, or coat is required for upland bird hunts. Archery hunters should have camouflage gear. Most upland hunters have their own preferences, but we recommend the 12 gauge, modified choke shotgun and number six shot for pheasants.

Hunt Nebraska operates a retail sporting goods outlet in our lodge so we may provide you with gear, shells, shooting glasses, etc. at a very reasonable cost.

Accommodations

Our Hunt Nebraska lodge offers private dining and recreation for hunters and other guests of Hunt Nebraska. Our lodge features deluxe guest rooms and lodge facilities including a game room with pool, shuffle board, foos ball, jacuzzi, sauna, and big screen tvs.

After arriving at the Hunt Nebraska lodge, you will quickly forget about the day-to-day hassles you left behind and find yourself anticipating the hunts that lie ahead. We offer the finest accommodations, superb dining, and the opportunity to participate in some of the best hunting in the country. The warm hospitality at the lodge and some of the best cooking in the midwest will be an experience not soon forgotten. After a successful day's hunt, relax in your spacious room, do some more shooting at the pool table, or play a game of shuffleboard. If you aren't up to those strenuous activities, relax in our hot tub or at the open bar and share your favorite hunting stories.

John & Nate,

Thanks again for the another GREAT hunt this past weekend! As in years past we enjoyed hunting with your top notch guides and dogs. My son Nick has had some wonderful hunting experiences with your short hair Mike and red lab Dakota. I've never seen as many birds in the field as we have the last few years. Your new attached "bunk house" addition has made a great lodge even better. Having a flat screen TV with remote speakers at the head of each bed is better then home. As always the fully stocked open bar, home cooked meals and great hospitality can't be beat. The photo CD of our hunts pictures for each guy is a first class touch. You and your staff do it all, right down to shipping the birds home for us. We're already looking forward next years hunt.

--Christopher Scala, Canton, Ohio

Nate, thanks for yet another exceptional hunting trip! The Hunt Nebraska attention to detail in every aspect of the trip is why we have been hunting with you for the last 15 years. The newly built accommodations only add to the first class experience. As usual we booked early for next year and look forward to another great hunt.

--John K Daggett, Cincinnati, Ohio

Hunt Nebraska - It's simply elegant!

Oliver Merkel (AKA: John S. Thalgott, M.D.)

Nate,

"A group of us from Las Vegas came to Hunt Nebraska for the first time in 1992, and we have been back every year since. Nate, John and the rest of the crew do a wonderful job. The birds are plentiful, the guides and dogs are great, and the hospitality is exceptional. The new rooms at the lodge are outstanding. Our annual trip to Hunt Nebraska is a tradition."

--Tom Kerestesi

A Total Hunting Experience!

Hunt Nebraska will give you nothing less! Whether you choose an upland game bird hunt or go after that trophy buck with a rifle or bow, Hunt Nebraska will provide you with the experience, hospitality, and results of a great hunt.

Habitat

Hunt Nebraska owns top hunting land for exclusive and private use by our clients. Hunt upland game in rolling grasslands, grainfields, hay meadows, deep canyons, or the timber and bottomlands of the Republican River and its tributaries. Experienced guides and well trained dogs are provided or bring your dog for the thrill of his life.

Game Species

At Hunt Nebraska, hunt pheasant, quail, chukar, wild turkey, and whitetail deer. The Arapahoe area is well known for mixed bag hunting. With our professional habitat management the hunting is spectacular.

Special Events & Functions

We offer guest room accommodations for corporate travel, corporate hunts, meetings, retreats, other special functions, and events. See pricing insert for details or call for more information.

3 - Day Upland Bird Hunt

* 3 Days Hunting *3 meals per day in private hunting lodge * Professional guides and top gun dogs *Bird processing and freezing *Maximum 4/1 hunter guide ratio *Free airport pick up at McCook *4 nights lodging (double occupancy) *Field transportation *10,000 acres of private hunting land *Private hunting with your own group (no mixing of groups) *All licenses and permits included *12 bird limit
combination of rooster, pheasant, quail, Hungarian, and Chukar Partridge. Exclusive lodge use with groups of 12 or more if available dates. This hunt offers some of the finest wing shooting and memories that you can ever have hunting like dad and grandpa used to. Please refer to pricing insert for more information.

Archery Season

Archery season is one of the longest seasons in the midwest, mid-September thru the end of the year. We offer early season hunting around alfalfa, corn, and milo fields and along river and creek bottoms. Pre-rut hunting is one of the most exciting hunts any bow hunter could experience with bucks on the prowl. An experienced hunter has an excellent opportunity to rattle or grunt in a trophy whitetail buck. The bucks will be running rub and scrape lines, making it easier to pattern a trophy buck. Our guides will assist anyone in call tactics, helping all hunters enjoy a rewarding hunting experience.

5 Day Rifle Whitetail Deer Hunt

This hunt is truly a hunting adventure, with every snap of a twig or sight of movement building your anticipation of seeing the biggest buck of your life. Our rifle season starts at the peak of the rut, second Saturday of November, so all of your hunting is from elevated stands or ground blinds. Deer movement is at its peak so chances are you will see more than you could ever imagine. Sit back and enjoy the show! White tail permits are subject to drawing. Please refer to pricing insert for more information.

Black Powder Whitetail Hunt

What a hunt! Colder weather, second rut, less hunting pressure and statewide access. Hunting adventures of unsurpassed experiences. For a total experience try this trophy hunt. Hunt includes: *Five days hunting *Field transportation *Field dressed deer and delivery to processor *Six nights lodging and meals *All stand and blinds *All licenses and permits. Please refer to insert for pricing.

Turkey Hunt

*Meals and lodging * Access to 10,000 private acres * Guides and blinds * All licenses and permits * 3 days 2 turkey limit. Please refer to insert for pricing information.
